Introduction

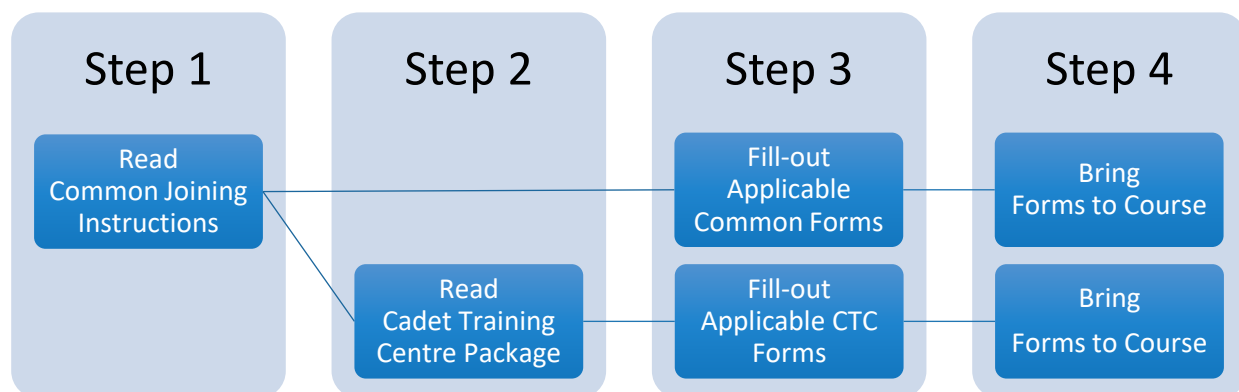

1. Purpose

a. The purpose of these Common Joining Instructions are to provide you with the foundation needed to prepare you for your training course this summer. Together, with the accompanying Annex, you must read each part in detail with your parents or guardians to ensure that you understand what is expected during your time on course.

2. Reading the Joining Instructions

a. These Joining Instructions have been written in a way that should be easy to navigate, bringing the most important information to you first, like what you should bring, what you should expect, etc. This information is common amongst all Cadet Training Centres in the Central Region, so there should be no surprises when you arrive for your course.

b. Each Cadet Training Centre has a specific document attached, called an Annex. If you're not sure which Cadet Training Centre you're headed to, we've provided a list of courses on the next page. Simply find your course, and its associated Cadet Training Centre. If you're still unsure, contact your Corps/Squadron Staff.

What You Should Have

Here's what you should have:

- Common CTC Joining Instructions (*this is the document you're reading*)
- Common CTC Joining Instructions Forms (*found at the back of this document*)

Preparing for Course

6. Summer Training Briefing

a. Your local Corps / Squadron should provide you with a summer training briefing before you leave. You're encouraged to participate and ask questions during this period. Make sure you bring your parent or guardian with you.

b. This is your opportunity to clarify course information with your training staff, making sure that you know exactly what course you're taking.

c. All cadets must hand in the "Offer of Participation Form" issued by their Corps/Sqn upon arrival at the Cadet Training Centre.

7. Packing for Course

a. This can be stressful, so we've broken this critical step down to help you out. **Please refer to the attached "Common JI Form – Kit List" for your packing list.** Make sure to follow this checklist so that you don't forget anything, or pack items that you don't need. The indicated quantity is the minimum amount you will need.

b. **Army Cadets must pack their Field Training Uniform, issued by their Corps.**

c. **Sea Cadets must pack their Sea Cadet Training Uniform, issued by their Corps.**

c. When packing your civilian clothing, please make sure you follow standard cadet practices, ensuring that your clothing adheres to acceptable standards. Unnecessary clothing or items are discouraged as personal storage at the Cadet Training Centre is limited.

d. Course-specific items will be identified in a separate document (if required).

e. Please note that you will be required to travel in uniform, so uniform items listed may be worn once you've checked them off the list.

f. All cadet-issued uniform items must fit properly and be in good repair. All necessary exchanges or replacements must be done at your Corps/Sqn before leaving for your course.

g. All luggage and cadets are subject to search upon arrival at the Cadet Training Centre. This is to ensure that you have everything you need to be successful on your course.

h. Cadets must write their names on the clothing tags in permanent marker. This will allow for quick identification in the event of a loss or recovery.

i. Summer training courses' daily routine is rigorous and active. Cadets are expected to be in physical shape for full participation in all training: if a last-minute illness or injury would compromise this, please contact your Corps/Sqn CO for direction. Cadets are expected to participate fully, without need for a few days' "loosening up"; thus, they are strongly encouraged to participate in some physical conditioning prior to arrival. This will help reduce time lost due to aches and strains encountered when making the transition from a sedentary home lifestyle to the active CTC lifestyle.

8. Medication

a. If you require prescription medication, please make sure you bring them in their original packaging with a copy of the prescription. It is your responsibility to ensure that you are taking medication as prescribed.

b. Any over-the-counter medication, such as allergy medication or pain relief, must also remain in its original packaging. This medication will be retained and controlled by course staff but made available to you, when possible.

c. Please bring enough prescription medication to last you for the duration of your course, since you may not have the ability to refill your prescription while on course.

9. Anaphylaxis Protocol

a. Anaphylaxis is defined as a serious allergic reaction that can be rapid in onset and may cause death. It affects about 2% of the Canadian population, with the most common allergens being food and insect stings. Medical attention is needed right away as this type of reaction can be life-threatening.

b. **Cadets with serious allergies to insect stings or food must bring two prescribed Anakit/Epi-pen/Allerject with them to the CTC.**

c. Cadets must hand-carry a copy of their Anaphylaxis Emergency Plan completed during their annual medical validation to the CTC, and keep a copy on their person (with their emergency medication) at all times.

10. Medic-Alert Bracelets / Devices

a. It is highly recommended that all cadets with known medical conditions requiring immediate identification, wear their Medic-Alert devices (bracelets, necklaces, etc) at all times.

11. Immunizations

a. All cadets must be up-to-date, to their applicable age, with immunizations in accordance with provincial standards, in addition to the meningococcal immunization. Immunizations will not be provided by Canadian Forces Health Services.

b. Cadets may be excluded from training during certain disease outbreaks, if the cadet is not immunized against that particular communicable disease.

12. Electronics and Valuables

- a. If you're bringing personal electronic devices, or other valuables, please record them on the **"Common JI Form – Personal Valuable Property Log"** provided with this package. You are responsible for these items – the Cadet Training Centres will not replace personal items which are lost or damaged during your time on course.
- b. The Cadet Training Centres have rules governing the use of cell phones or other smart devices. The expectation is that you follow these rules, or risk losing the privilege of using them during personal time. All Cadet Training Centre staff have the right to seize these devices if order and discipline is impacted; these items will be returned at the end of the course.

Attending Course

13. Transportation

- a. In most cases, we have arranged for you to get to the Cadet Training Centre. Your method of transportation may be via bus, train, aircraft. If you live close to the Cadet Training Centre, you may be required to have your parent or guardian drop you off. If you're travelling by bus, train, or aircraft your Corps/Sqn will provide you with additional travel information.
- b. Closer to your travel date, you will be provided with a travel itinerary from your Corps/Sqn. This information will include a date, location, and time for pick-up. We'll arrange for a pick-up location close to you, for your convenience. This will be an opportunity for you to say farewell to your family and friends.
- c. You will be travelling in uniform to the Cadet Training Centre.
 - (1) Army Cadets: C2A
 - (2) Sea Cadets: C3A
 - (3) Air Cadets: C2B

- d. Unless specified in the specific Cadet Training Centre Annex, please do not bring your cadet tunic, as this is not required for your course at the Cadet Training Centre.
- e. If you were issued a kilted uniform at your corps or squadron, please leave this at home, as this is not required for your course at the Cadet Training Centre. These are very expensive items and

the Cadet Training Centre cannot replace or reimburse kilted uniforms that have been lost, stolen or damaged.

f. **You must produce a valid Health Card before boarding your transportation.**

g. Cadets attending training courses are not permitted to use their own personal motor vehicles.

h. If you're taking the train or aircraft to your course, you may be required to travel in a more formal order of dress; please check your travel itinerary. You will also be required to carry Government-issued photo identification.

i. Cadets older than 18 years old and travelling by air, must carry a piece of Government issued photo identification, or two forms of identification (with one identifying gender and date of birth). It is therefore recommended that a valid Passport be carried in this case.

j. Under the Government of Canada's Passenger Protect Program, full legal names must be used. A cadet's registered name at their Corps/Sqn must match the identification carried. Any discrepancies, such as short forms or nicknames, or any variation of their full legal name may result in being denied boarding. Additional details about the Passenger Protect Program are available through Transport Canada.

k. Personal luggage must be clearly marked on its exterior, with a duplicate tag placed inside the container (duffle bag, suitcase, kit bag). Luggage restrictions may apply to cadets travelling by air. Please consult your travel itinerary and the airline.

Details regarding checked and carry-on luggage may be obtained from the Canadian Air Transport Security Authority (CATSA).

14. Food and Accommodations

a. Food will be provided for the duration of your course. If you have food restrictions based on religious or spiritual beliefs, please notify your course staff so that we can accommodate.

b. Meals are typically provided in a cafeteria-style setting. This may change depending on your course, Cadet Training Centre, or building availability. Rest-assured though, you will be fed.

c. You may be housed in either soft-walled structures, or dormitory-style buildings depending on your course. You may share a room with one to ten people, in either a single or bunk-style bed depending on the Cadet Training Centre. You will be provided with an area to store your personal items and clothing, which could either be a closet or a locker. Make sure you bring combination locks.

15. Code of Conduct

- a. Each Cadet Training Centre has an established expectation of behaviour. Every person attending these facilities are to adhere to this behaviour without question. This is called a “Code of Conduct”, and is similar to the one you signed when you joined the program. You are required to read and sign this **Code of Conduct** before you start your course.
- b. Breaches of this Code of Conduct will result in disciplinary action up to, and including removal from the course.
- c. Orders, rules, and regulations exist to ensure the safety of all personnel attending or working at Cadet Training Centres. They must be strictly followed to maintain order, discipline, and safety.

16. Return to Unit

- a. Circumstances may arise during your course where you may be required to go home. This may be due to personal reasons (parental request, compassionate, medical), performance (training deficiencies), or misconduct. Once a decision has been made to return a cadet to their unit, their parent/guardian is contacted, along with their unit Commanding Officer. If a cadet is sent home due to misconduct reasons, parents / guardians may be responsible to cover the cost associated to getting them home.

17. Spiritual Services

- a. Each Cadet Training Centre has spiritual and religious services available to cadets. If you wish to practice your spiritual obligations, please let your staff know.
- b. Service information is provided in the Cadet Training Centre documents provided with this package.

18. Health and Dental Services

- a. Cadets are covered through the Ontario Health Insurance Plan, and the Department of National Defense for all health-related expenses while attending summer training courses.
- b. Each Cadet Training Centre has medical staff on site, who are accessible by the cadets every morning during “Sick Parade”, or on an as-needed basis when required.
- c. Emergency dental services may also be provided should it be determined that the dental emergency is a direct result of course participation.

d. Eyeglasses may be replaced if they become damaged during training where every effort was made by the cadet to safeguard their care. Otherwise, the cost of replacing damaged eyeglasses rests on the wearer. Cadet who wear eyeglasses must have a retaining strap affixed; as well, a second pair of eyeglasses should be brought in case of the primary pair being lost, stolen or damaged.

e. **Cadets will be subject to a brief interview and medical screening by a medical professional upon arrival at the Cadet Training Centre. This is to prevent the spread of communicable diseases, contagious conditions, and to assess that you're medically fit for training.**

19. Cadet Bank and Canteen Services

a. You will have access to the "Cadet Bank". This service will store your cash at no cost to you, so that you don't find your money missing. The Cadet Bank is accessible during off-training hours, which vary depending on your course and course schedule.

b. The canteen provides a relaxing social atmosphere where you can relax after a long day of training. You will be intermixed with cadets from all over Ontario, so don't be shy. Snacks and beverages are available for purchase. You may also purchase toiletries, polish, souvenirs, etc depending on its availability.

c. All prices are modest and devoted to cadet success.

20. Time-Off

a. You may be signed out by an authorized person identified in the **Time-Off Authorization and Consent Form** (attached) following training hours. These hours depend on the course, so make sure you read your Cadet Training Centre package for details. Typically, training occurs from 0600-2000hrs, Monday to Saturday. Cadets are generally authorized to leave no earlier than 1330hrs on Saturday, and expected to be returned no later than 2030hrs on Sunday.

b. Time-off is subject to approval by your training staff, who must authorize and sign all time-off passes.

c. Cadets are not permitted to depart the Cadet Training Centre without permission.

d. While on course, it is expected that you attend every class.

e. While on time-off, you must wear the appropriate order of dress (the same uniform you travelled in). You are considered still on course while away on time-off, so please behave accordingly. These instructions may vary depending on the CTC.

f. Authorized guests are reminded that pets are not permitted in the Cadet Training Centres, so please leave them at home.

21. Training Bonus

- a. You're getting paid to be on course. Please consult your training staff when you arrive for more information.
- b. It is recommended that you deposit your money into the Cadet Bank for safe keeping. Lost pay will not be reimbursed – once you sign for it, you're responsible for it.

- a. Yes, you may take photos during your course. We encourage you to share your memories with families, friends, and your fellow cadets at home. However, this is subject to the approval of your training staff.

The following regulations are extracted from Canadian Forces Dress Regulations and Cadet Dress Regulations. They are not intended to be overly restrictive, but to ensure the maintenance of high a standard of grooming consistent with military standards while also recognizing the standards of Canadian society and the traditional privileges, which have proven their value in fostering group identity and morale. Multiple braids and/or cornrows shall be directed toward the back of the head, pulled tight to the head and secured at the end by a knot or a small-unadorned fastener.

Multiple braids extending below the lower edge of the collar are to be gathered in a bun.
